

JUNIOR PROJECT 2025

Senlog
Racing Products

More than 40 years
of experience

A close-up photograph of a welder in a dark industrial environment. The welder is wearing a dark long-sleeved shirt and heavy-duty, worn work gloves. They are using a welding torch to join a metal pipe. The welding process is intense, with a bright blue and white light emanating from the point of contact, and a shower of bright sparks flying outwards. The background is dark and out of focus, showing some industrial equipment. The overall atmosphere is one of focused, manual labor.

A blue and black kart is shown on a dirt track. The kart has a roll-over protection structure (ROPS) cage and a steering wheel. It features several sponsor logos, including 'SEMOG Racing Products' on the front and '82' on a sign on top. The kart is positioned on a dirt surface, and the background shows a blurred track and fence.

Kartcross with homologations
